PROFESSIONAL SUMMARY

Computer Science graduate combining technical expertise in cloud computing and networking with proven event management experience. Demonstrated success in AWS infrastructure implementation and coordinating national-level technical events. Proficient in Java, Python, and SQL.

EDUCATION

Bachelor of Technology in Computer Science and Business Systems (7.85/10)
Sagi Rama Krishnam Raju Engineering College (2021 – 2025)
Intermediate Education (97.3%) | Aditya Junior College (2019 – 2021)

TECHNICAL SKILLS

- Languages & Cloud: Java, Python, SQL, AWS (EC2, S3, ELB)
- Networking & Other: UI/UX Design, Cisco Packet Tracer, Network Protocols, Data Structures
- Soft Skills: Event Management, Leadership, Team Collaboration, Problem-solving

PROFESSIONAL EXPERIENCE

Cloud Computing Intern | Blackbucks Engineers Pvt. Ltd., Hyderabad | *July 2023 - September 2023*

- Implemented AWS cloud infrastructure and reduced cloud costs through resource optimization
- Technologies: AWS EC2, S3, ELB, CloudWatch, Python

Networking Intern | CISCO Netcad Academy | *May 2024 - July 2024*

- Designing enterprise network architectures with IoT integration
- Technologies: Cisco Packet Tracer, IoT protocols, Network Security tools

LEADERSHIP & PROJECTS

Event Coordinator - NIPUNA, ISTE National Technical Event

- Successfully managed a national-level technical event with 200+ participants from multiple colleges
- Led end-to-end event planning, logistics, and execution of technical competitions

Enterprise Cloud Load Balancer

- Deployed high-availability web server with auto-scaling for 1000+ concurrent connections
- Technologies: AWS ELB, EC2, CloudWatch

Network Security Implementation

- Developed a reliable network architecture for an enterprise
- Technologies: Networking Protocols, CISCO Packet Tracer, IOT devices

CERTIFICATIONS

- Cisco Networking Academy: Packet Tracer & Networking Essentials (2023)
- JPMorgan Chase & Co.: Agile Job Simulation (2024)
